Nota di bibliografia	Includes bibliographical references (p. 236-253) and index.
Nota di contenuto	Machine generated contents note: Introduction * The decline of Mythical China * At the China Coast * South and Southeast Asian Encounters * Asian Networks and the British Isles Introduction * The decline of Mythical China * At the China Coast * South and Southeast Asian Encounters * Asian Networks and the British Isles.
Sommario/riassunto	British knowledge about China changed fundamentally in the eighteenth and nineteenth centuries. Rather than treating these

changes in British understanding as if Anglo-Sino relations were purely bilateral, this study looks at how British imperial networks in India and Southeast Asia were critical mediators in the British encounter of China.
