do better; 11 Applying "the McCarthy Test" to Canadian and American security legislation: A 10-year retrospective on the impact of September 11, 2001 on privacy rights; 12 Huntington's "clash of civilizations": Rumours and clarification; 13 Getting it wrong yet again: America and the Islamic mainstream; Index

Sommario/riassunto

From the terrorist attacks of September 11, 2001 in New York to the Madrid and London bombings of 2004 and 2005, the presence of Muslim communities in the West has generated security issues and major political concern. The government, the media, and the general public have raised questions regarding potential links between Western Muslims, radical Islam and terrorism. This speculation has given rise to popular myths concerning the Islamic world and led to a host of illiberal measures such as illegal warranting, denial of Habeas Corpus, "black prisons" and extreme torture througho
