Sommario/riassunto

What comes after 'postmodernism'? A buzzword which began as an energising, radical critique became, by the 20th Century's end, a byword for fracture, eclecticism, political apathy and intellectual exhaustion. The last few years have seen a growing interest in critical realism as a possible, alternative way of moving forward. The virtues of critical realism lie in its successful provision of a philosophical grounding for the social sciences and humanities and of a methodology applicable to many different fields of analysis. After Postmodernism brings together some of the best-known names in the f
