| Sommario/riassunto   | This work addresses the the genesis of halakhic (legal) divergence between the Talmuds produced by the Palestinian rabbinic community (c. AD 370) and the Babylonian rabbinic community (c. AD 650). It analyzes selected divergences between parallel passages of the two Talmuds.                                                                                                                             |
