Note generali	Bibliographic Level Mode of Issuance: Monograph
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	What happened to American cities? -- Can this neighborhood be saved? -- Three reconstructions of Raleigh -- There are no bad schools in Raleigh -- A tragic decision -- What should we hope for?.
Sommario/riassunto	In Hope and Despair, Gerald Grant compares two cities - his hometown of Syracuse, New York, and Raleigh, North Carolina - in order to examine the consequences of the nation's ongoing educational inequities. The result is an ambitious portrait - sometimes disturbing, often inspiring - of two cities that exemplify our nation's greatest educational challenges, as well as a passionate exploration of the potential for school reform that exists for our urban schools today.
