| Sommario/riassunto      | Twelfth Night is one of Shakespeare's funniest plays and also one of his most romantic. A young noblewoman, Viola, shipwrecked in a foreign land and separated from her twin brother, dresses as a man in order to enter the service of Orsino, duke of Illyria. Complications ensue--deceptions, infatuations, misdirected overtures, malevolent pranks--as everyone is drawn into the hilarious confusion. |
