Sommario/riassunto	Intwasa Poetry is a book of memorable poems from inside and outside Zimbabwe. The fifteen poets who are brought together in this collection have all read from their work at the Intwasa Arts Festival koBulawayo.

There is a diversity in their work. The poems of love, of sensuality, of humour, of compassion, of yearning, of sadness, of loss and of outrage. They range from the intensely personal to reflections of life at this pivotal time in Zimbabwe's history.
