Nota di contenuto	"Republicanism was an indefinite term" : political fictions as critical tools for citizenship -- "The Revolution was in the minds of the people" : citizens as romantic heroes, 1764-1776 -- "The American Constitution is that little article of HOPE, left at the bottom of Pandora's box of evils" : citizens as tragic victims, 1783-1789 -- "Who would not have been willing to have died such a death?" : citizens as reified patriot heroes, July 4, 1826 -- "I will not look up to the weather-cock of popularity, to see which way the gale is blowing" : citizens as ironic partisans, 1816-1845.
Sommario/riassunto	Part political history, part rhetorical criticism, Founding Fictions is an extended analysis of how Americans imagined themselves as citizens between 1764 and 1845. It critically re-interrogates our fundamental assumptions about a government based upon the will of the people, with profound implications for our ability to assess democracy today.

Founding Fictions develops the concept of a "political fiction," or a narrative that people tell about their own political theories, and analyzes how republican and democratic fictions positioned Ameri
