Nota di contenuto	Overview -- Political authority in the inner periphery -- Socio-cultural relations in the inner periphery -- Economy and development in the inner periphery -- Implications for the outer periphery.
Sommario/riassunto	This book examines the Chinese government's policies and practices for relations with the Inner Periphery areas of Tibet, Xinjiang, and Inner Mongolia, and the Outer Periphery areas of Hong Kong and Taiwan focusing on themes of political authority, socio-cultural relations, and economic development. China's history may be seen as one of managing the geographic periphery surrounding China proper. Successive imperial, republican, and communist governments have struggled to maintain sovereignty over the regions surrounding the great river valleys of China. The importance of the peripher
