Vanilla Production in India Chapter 21. Vanilla Production in East Africa Chapter 22. Vanilla Production in Mexico; Chapter 23. Vanilla Production in China; Chapter

24. Vanilla Production in French Polynesia; Color Insert; Back cover

Sommario/riassunto

Vanilla is a legacy of Mexico and, like chocolate, it is a major global delicacy representing almost a half-billion Euros in profits each year. Written under the editorial guidance of renowned field authorities Drs. Eric Odoux and Michel Grisoni, Vanilla presents up-to-date reviews on the cultivation, curing, and uses of vanilla. It provides unique and comprehensive coverage of the biology of the vanilla vine, the properties of its aromatic beans, and production processes worldwide. Written by 45 International Experts with Vast Experience i
