Nota di bibliografia	Includes bibliographical references (p. 225-242) and index.
Nota di contenuto	Introduction : old paths, new paths -- Territoriality and mobility in eighteenth-century Creek country -- Settling boundaries and negotiating access -- Opening roads through Creek country -- War comes to the Creeks -- A new wave of emigration -- Remapping Creek country.
Sommario/riassunto	In Creek Paths and Federal Roads, Angela Pulley Hudson offers a new understanding of the development of the American South by examining travel within and between southeastern Indian nations and the southern states, from the founding of the United States until the forced removal of southeastern Indians in the 1830s. During the early national period, Hudson explains, settlers and slaves made their way along Indian trading paths and federal post roads, deep into the heart of the Creek

Indians' world. Hudson focuses particularly on the creation and mapping of boundaries between Creek
