mainland colleaguesCh 13. The internet as a means of studying transnationalism and diaspora; Ch 14. Transnational links and practices of migrants' organisations in Spain; Ch 15. Cold constellations and hot identities: Political theory questions about transnationalism and diaspora; Bibliography; List of contributors

## Sommario/riassunto

Diaspora and transnationalism have become popular concepts in academic as well as political discourses. Although originally referring to quite different phenomena, they increasingly overlap in today's usage. There is a conflation of meanings that goes hand in hand with a danger of reifying collective identities. The authors of this much-needed volume choose instead to analyse diaspora and transnationalism as research perspectives rather than as characteristics of particular social groups. The contributions focus on conceptual uses, theoretical challenges and methodological innovations in the s

## Sommario/riassunto

This book offers an extended analysis of writers and theatre companies in Britain since 1995, and explores them alongside recent cultural, social and political developments. Referencing well-known practitioners from modern theatre, this book is an excellent introduction to how contemporary drama is made and analysed.
