Sommario/riassunto	This book examines the period leading up to the Hong Kong handover

in 1997 - the 'countdown of time', and by using iconic cultural symbols such as the countdown clock, the Hong Kong Museum exhibitions and cultural heritage sites, argues that China has undergone a transition to neoliberal state, in part through its reunification with Hong Kong. The problem of synchronization with the world, a Chinese phrase that epitomizes China's engagement with modern capitalism since the first Opium War, was characterized throughout the 20th century as a 'humiliation', 'weakness', 'tragedy' and 'dis
