SUBSTITUTE MOTHERHOOD INCEST SURVIVOR: THE WHORE AS AN INCEST SURVIVOR Whose Responsibility is it Anyway?; EPILOGUE; BIBLIOGRAPHY; INDEX
Sommario/riassunto	To Freud, female sexuality remained something of a mystery: a riddle and a dark continent. He urged his female colleagues to enlighten him. Many have since done so - and this book is a most vivid and

illuminating contribution to the field. The author explores why the quality of their bodies is fundamental to women's psychology; how this may lead to self-mutilation; and how such perverse behavior may also be aimed at objects which women see as their own creations, specifically, their babies. The potential causes and consequences of these conditions, including maternal and paternal incest and its frequent aftermath, prostitution, are also discussed.
