Sommario/riassunto	This coherent collection of original papers marks the 150 year anniversary since the publication of Charles Darwin's <i>Origin of Species</i> (1859). Although the area of evolution-related publications is vast, the area of interaction between Darwinian ideas and specifically Catholic doctrine has received limited attention. This interaction is quite distinct from the one between Darwinism and the Christian tradition in general. Interest in Darwin from the Catholic viewpoint has recently been rekindled. The major causes of this include: (1) John Paul II's 'Message to the Pontifical Academy of Sciences
