Sommario/riassunto	Bioethics Matters is an essential resource for Catholic dealing with medical and end-of -life issues. This succinct guide clearly sets out Catholic teaching on today`s debated issues: stem cell research, reproductive technologies, euthanasia and much more. By presenting real-life situations, this guide provides readers with examples of

Catholic ethical decision-making in action. The purpose is to show how Catholic teaching can help people today navigate their way through tough decisions and choices. Lay people deserve to be as educated as possible in Catholic teaching. Lay people today have hu
