Sommario/riassunto	A collection of short pieces designed to be read on the bus or in the bath, as one would a magazine column. Each piece takes a wry look at the world and reflects on the questions of faith that arise from the everyday -- the advertising slogan, the church jumble sale...Drawing

on the ingredients of scripture, theology and philosophy, Strangely Warmed aims to make serious doctrinal points with a lightness of touch, offering bite-sized morsels to be enjoyably chewed over, in the hope that this will lead to a deeper reflection on, and appreciation of, Christian faith.
