Nota di contenuto	COVER; COPYRIGHT; 1. Introduction; 2. Goal and principles; 3. Beyond 'business as usual': objectives for enhanced action, building on the achievements so far; 4. Roles, responsibilities and partnerships; 5. Monitoring, evaluation and review; Annex; Annex: Examples of UNAIDS Secretariat and Cosponsor activities relating to men who have sex with men and transgender people
Sommario/riassunto	Business as usual is no longer a viable response to the HIV-related risks of men who have sex with men and transgender people. Where data exist on HIV in these populations, they show that our collective responses are failing far more often than they are reaching scale or succeeding. Just as disconcerting, in many parts of the world, is the fact that few reliable data exist at all.
