| Sommario/riassunto      | From the Penguin Books logo to The March of the Penguins, a certain tuxedo-adorned member of the animal kingdom has long captured our hearts and imaginations. Stephen Martin regales us here with the cultural and natural history of the penguin, revealing m                                                                         |
