Sommario/riassunto

Few people are better able to describe how to survive in a war zone than those who have seen, experienced, and lived it first-hand.

Comprised of a collection of original stories from international contributors, *Surviving the International War Zone: Security Lessons Learned and Stories from Police and Military Peacekeeping Forces* contains true accounts of unimaginable scenarios that could only occur in war-torn and conflict-ridden areas. Presenting accounts written by military and police officers who lived in different dangerous regions across the world, the book
