Sommario/riassunto

The first collection of the key works of the major curriculum studies scholar William E. Doll, Jr., this volume provides an overview of his scholarship over his fifty-year career and documents the theoretical and practical contribution he has made to the field . The book is organized in five thematic sections: Personal Reflections; Dewey, Piaget, Bruner, Whitehead: Process And Transformation; Modern/Post-Modern: Structures, Forms and Organization; Complexity Thinking; and Reflections on Teaching .The complicated intellectual trajectory through pragmatism, postmodernism and complexity
