Sommario/riassunto	Tools for translating recruiting and hiring decisions into financial returns Even in a down economy, U.S. business and government make millions of hiring decisions every year. Every decision carries risk. Every hire is an investment. Ideally, every one pays a return. In today's demanding environment, companies no longer have room to get it

wrong. Million-Dollar Hire shows how leading companies have re-invented themselves, beat their competition, and added millions to their bottom lines with re-engineered recruiting and hiring practices. Using practical, real world illustrations, it sh
