Sommario/riassunto	""A challenge ahead for nursing is to take the path of most resistance rather than the easier road of least resistance. The debate needs to continue . . . [by focusing on] whether nursing is teaching an appropriate level of inquiry including philosophy and methodologies specific to those real-world, rapidly changing conditions that

characterize today's practice environment."". Sally J. Reel, PhD, RN, FNP, BC, FAAN, FAANP. University of Arizona College of Nursing. (From the Foreword). Tailored for both DNP and PhD doctoral nursing programs, this text is the first to focus on philosophy of scien
