Sommario/riassunto In The Competitive Advantage of Regions and Nations, the authors stress that companies, investment promotion agencies, and government bodies cannot simply sit and wait until new technologies arrive in their domain. Rather, they need to manage the identification, assessment, attraction, absorption and application of new technologies. In this comprehensive book, Boris Ricken and George Malcotsis explain how technology transfer in Foreign Direct Investment (FDI) projects can

they give step-by-step guidance for managers.

be systematically managed. Using some 40 case studies as illustration,
