and Governance Innovation

Sommario/riassunto

11 Why Do Japanese Companies Issue Stock Options?12 Automotive Technology Policy in Japan; 13 Science and Technology Policy; Index If we ask simply whether Japanese business has changed, our answer must be an unequivocal yes and this is answered with a primary focus on technology, the traditional source of Japan's strong competitiveness. But if we ask whether Japanese firms have also changed in any substantive ways we must accept a less sanguine conclusion.
