Houses' : novel approaches to ending forced displacement following
the 2008 Russia-Georgia conflict / Anneke Smit -- The battles after the
battle : international law and the Russia-Georgia conflict / Christoph H.
Stefes and Julie A. George.

Sommario/riassunto

This book addresses multiple aspects of the conflict between Georgia
and Russia over the breakaway region of South Ossetia in August 2008,
including the use of force, human rights, transnational litigation and
international law 'rhetoric'. The particulars of the conflict are explored
alongside their wider implications for international order.
