Livello bibliografico Monografia

Note generali Description based upon print version of record.

Nota di bibliografia Includes bibliographical references and indexes.

Nota di contenuto Title page; Preface; Contact Details Co-Chairs of Each Workshop; Contents; 1st International Workshop on Human-Centric Interfaces for Ambient Intelligence (HCIAmI'10); 5th International Workshop on Artificial Intelligence Techniques for Ambient Intelligence (AITAmI'10); 1st International Workshop on Creative Science - Science Fiction Prototyping for Research Innovation (CS'10); Subject Index; Author Index

Sommario/riassunto This book presents the combined proceedings of three workshops which make up part of the 6th International Conference on Intelligent Environments.The remarkable advances in computer sciences throughout the last few decades are already making an impact in our daily lives. This is enabling the provision of intelligent environments; digital environments which proactively support people in their daily lives. This active area of research is attracting an increasing number of professionals worldwide.The first workshop deals with human-centric interfaces for ambient intelligence applications (HCIAmI'
