Sommario/riassunto	""This foundation-level training manual for social work students and practitioners will help readers become more effective agents of change through understanding the meaning, principles, and characteristics of facilitative leadership. Facilitative leadership is a form of leadership in which the leader directs a group but does not dictate the outcome of the group discussion. This form of leadership is essential for, and uniquely suited to, social workers whose entire profession is based on helping clients determine their own goals and how to achieve them.The book describes, step-by-step, the sk
