

1. Record Nr.	UNINA9910566700403321
Autore	Speight P. M (Paul M.)
Titolo	Shear's cysts of the oral and maxillofacial regions / / Paul M. Speight
Pubbl/distr/stampa	Hoboken, New Jersey : , : Wiley-Blackwell, , [2022] ©2022
ISBN	1-119-35496-X 1-119-35493-5
Edizione	[Fifth edition.]
Descrizione fisica	1 online resource (382 pages)
Disciplina	617.522
Soggetti	Jaws - Cysts Electronic books.
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Nota di bibliografia	Includes bibliographical references and index.

2. Record Nr.	UNINA9910785729303321
Autore	Rattigan-Rohr Jean
Titolo	It takes a village [[electronic resource] ] : a collaborative assault on the struggling reader dilemma : one school of education's approach to preparing effective reading teachers while addressing issues related to readers who struggle and parental inclusion // Jean Rattigan-Rohr ; foreword by Judith Howard
Pubbl/distr/stampa	Rotterdam ; ; Boston, : Sense Publishers, c2012
ISBN	94-6091-781-X
Edizione	[1st ed. 2012.]
Descrizione fisica	1 online resource (163 p.)
Altri autori (Persone)	HowardJudith
Disciplina	370
Soggetti	Reading teachers Reading - Parent participation
Lingua di pubblicazione	Inglese
Formato	Materiale a stampa
Livello bibliografico	Monografia
Note generali	Description based upon print version of record.
Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Preliminary Material -- Why the Village? -- The Inclusion of Parents -- The University, The Course Design, The Foundation and The Preservice Teachers -- The Methods - Five Components of Reading -- The Tutoring -- Combined Efforts and Voices -- Preservice Teachers had the Most to Say -- Working in the "Village" -- Short and Long E -- Spelling Differences in Vowel Sounds -- VC/CV Doublets I -- Compounds Words -- References -- Index.
Sommario/riassunto	It Takes a Village: A Collaborative Assault on the Struggling Reader Dilemma has a wellspring of incredibly useful information for teacher educators, pre-service and in-service teachers alike. It shows quite clearly that preparing effective reading teachers while addressing issues related to (a) readers who struggle (b) parental inclusion, and (c) the inclusion of the wider community can be done quite successfully. This book puts readers in touch with compelling insights into the importance of parental inclusion in the educational efforts of their children. Additionally, it provides a "counter narrative" to the belief by many that parents and in particular, racial and ethnic minority parents, do not participate with their children in academic endeavors. The text also focuses on key aspects of teacher preparation especially as it relates to reading instruction. The author provides a wonderful variety

of step-by-step approaches for how to seamlessly transition teacher reading instruction from the lecture hall to the "village" practice sites. The book is well written with the authentic voices of parents, students and pre-service teachers. This book is an excellent contribution to the literature concerning issues related to struggling readers, parental inclusion and community involvement. - Samuel Miller, Associate Dean, University of North Carolina Greensboro.

3. Record Nr.	UNINA9910785746303321
Titolo	The bioarchaeology of violence [[electronic resource] /] / edited by Debra L. Martin, Ryan P. Harrod, and Ventura R. Perez ; foreword by Clark Spencer Larsen
Pubbl/distr/stampa	Gainesville, : University Press of Florida, c2012

### Sommario/riassunto

"Human violence is an inescapable aspect of our society and culture. As the archaeological record clearly shows, this has always been true. What is its origin? What role does it play in shaping our behavior? How do ritual acts and cultural sanctions make violence acceptable? These and other questions are addressed by the contributors to *The Bioarchaeology of Violence*. Organized thematically, the volume opens by laying the groundwork for new theoretical approaches that move beyond interpretation; it then examines case studies from small-scale conflict to warfare to ritualized violence. Experts on a wide range of ancient societies highlight the meaning and motivation of past uses of violence, revealing how violence often plays an important role in maintaining and suppressing the challenges to the status quo, and how it is frequently a performance meant to be witnessed by others. The interesting and nuanced insights offered in this volume explore both the costs and the benefits of violence throughout human prehistory."-- Publisher's website.
