| Sommario/riassunto | Fashion is all about image. Consequently, fashion marketing<br>communications - encompassing image management and public<br>relations, branding, visual merchandising, publicity campaigns,<br>handling the media, celebrity endorsement and sponsorship, crisis<br>management etc have become increasingly important in the fashion<br>business. This textbook for students of fashion design, fashion<br>marketing, communications and the media sets out all that they need<br>for the increasing number of courses in which the subject is a part.  |
