Sommario/riassunto	Pragmatism Ascendent is the last of four volumes on the contribution of pragmatism to American philosophy and Western philosophy as a whole. It covers the period of American philosophy's greatest influence worldwide, from the second half of the 20th century through the beginning of the 21st. The book provides an account of the way pragmatism reinterprets the revolutionary contributions of Kant and Hegel, the significance of pragmatism's original vision, and the expansion of classic pragmatism to incorporate the strongest themes of Hegelian and Darwinian sources. In the process, it
