Intelligence Gathering

Sommario/riassunto

This fully updated and expanded second edition of Policing Scotland
takes account of recent developments in Scottish policing and criminal
justice against the backdrop of a dynamic political landscape and
looming fiscal constraints in public services. The book offers
contributions from both academics and practitioners, and not only
shows police at work in contemporary Scotland, but also gives some
insight into those areas where policing is carried out by non-police
people and organisations. It seeks to identify what it is about Scottish
policing that is distinctly Scottish,
