Sommario/riassunto

With a new introduction and afterword, this revised second edition is a practical, engaging exploration of mentoring and its power to transform learning. Filled with inspiring vignettes, *Mentor* shows how anyone who teaches can become a successful mentor to students. Topics covered include adult learning and development; the search for meaning as a motive for learning; education as a transformational journey; how adults change and develop; how learning changes the learner; barriers and incentives to learning and growth; and guiding adults through difficult transitions.
