Sommario/riassunto

The Answer to Global Overload Contending with the 24/7 news cycle and an endless barrage of choices and information has stymied leadership and decision-making strategies among those at the top. But we all know, this is not a just a problem for the elite. The broad-based reaction to this chaotic, unmanageable assault has been to retrench, and to focus on immediate, controllable decisions. In the process, we lose sight of the horizon. More dangerous still, is the shift we've seen from value creation to wealth creation, where information technology 1.0 has enabled a
