Nota di bibliografia	Includes bibliographical references (p. 265-278) and index.
Nota di contenuto	pt. 1. Fear -- pt. 2. Cultural anxiety -- pt. 3. Transformation.
Sommario/riassunto	The contributors to this volume explore the themes of fear, cultural anxiety, and transformation as expressed in remade horror, science fiction, and fantasy films. While opening on a note that emphasizes the compulsion of filmmakers to revisit issues concerning fear and anxiety, this collection ends with a suggestion that repeated confrontation with these issues allows the opportunity for creative and positive transformation.
