Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	pt. I. Sports medicine conceived -- pt. II. Sports medicine organized -- pt. III. Sports medicine practices -- pt. IV. Sports and medicine contested.
Sommario/riassunto	The Social Organization of Sports Medicine is the first book-length overview of the social scientific study of sports medicine, drawing together work from an international cadre of scholars who examine and provide interdisciplinary analysis of the dynamic and multi-faceted relationships between sports and medicine and within sports medicine. The book charts changing perceptions of sport within medical discourse, attempts by sports medicine providers to forge professional identities in response to these processes, the day-to-day experiences of deliverers of sports medicine and the r
