Nota di contenuto	pt. I. Sanctuary perspectives : historical, theological, legal, theoretical -- pt. II. Sanctuary movements and practices in the United States : old and new -- pt. III. Sanctuary movements and practices in Europe and Canada : international comparative and case studies -- pt. IV. Emergent realms : cities of sanctuary and military sanctuaries.
Sommario/riassunto	Sanctuary Practices in Perspective examines the diverse, complex, and mutating practice of providing sanctuary to asylum-seekers. The ancient tradition of church sanctuary underwent a revival in the late 1970s. Christian churches began providing physical protection to migrants living without legal status and who were facing imminent deportation in church buildings and communities: first in the United Kingdom and then in the United States, Canada, and several other European countries. These practices arose amidst a dramatic increase in the number of asylum-seekers arriving in the West, and a
