Note generali Includes bibliographical references and index. Nota di bibliografia pt. I. Theoretical orientations -- pt. II. Spatial politics, everyday life and Nota di contenuto the right to the city. Sommario/riassunto While certain aspects of Henri Lefebvre's writings have been examined extensively within the disciplines of geography, social theory, urban planning and cultural studies, there has been no comprehensive consideration of his work within legal studies. Henri Lefebvre: Spatial Politics, Everyday Life and the Right to the City provides the first serious analysis of the relevance and importance of this significant thinker for the study of law and state power. Introducing Lefebvre to a

his work, including his unorthod

legal audience, this book identifies the central themes that run through
