Sommario/riassunto

How to achieve wealth, happiness, and peace of mind through personal responsibility The Power of Consistency is based on the fundamental premise that private declarations dictate future actions. In other words, we tend to take actions with the thoughts and beliefs we consistently have, and the cumulative results of those actions eventually create the quality and circumstances of our lives and businesses. Therefore, transformative change in life and business is possible when we reconstruct our minds and take responsibility for its content. Lays out a simple process-the Personal Prosperity PI
