Sommario/riassunto

The new edition of Practising French Grammar offers a set of varied and accessible exercises for developing a deep practical awareness of French as it is spoken and written today. It can be used alone or as the ideal companion to the new edition of the widely acclaimed French Grammar and Usage by Roger Hawkins and Richard Towell. The new edition benefits from the addition of a glossary of grammatical terms and a variety of new and updated exercises designed to stimulate even the most grammar-shy student. Lively, authentic texts and activities, as well as jokes and cartoons, help students to ex
