Sommario/riassunto	This book provides an examination of contemporary Anglo-American relations. Anglo-American relations, sometimes controversially referred

to as the Special Relationship,?constitute arguably the most important bilateral relationship of modern times. Yet in?recent years, there have been frequent pronouncements that this relationship has lost its 'specialness'.This volume brings together experts from Britain, Europe and North America in a long-overdue examination of contemporary Anglo-American relations that paints a somewhat different picture. The discussion ranges widely, from a
