Sommario/riassunto	Some of the most important and best lessons in a doctor's career are learnt from mistakes. However, an awareness of the common causes of medical errors and developing positive behaviours can reduce the risk of mistakes and litigation.Written for junior paediatric staff and consultants, and unlike any other paediatric clinical management title available, Avoiding Errors in Paediatrics identifies and explains the most common errors likely to occur in a paediatric setting - so that you won't make them. The first section in this brand new guide discusses the c
