Nota di contenuto	Cover; Preface; Contents; Introduction; I: The Statement of the Problem; II: Examples of the Double in Literature; III: Biography as Background to Literature; IV: The Double in Anthropology; V: Narcissism and the Double; Index
Sommario/riassunto	Alive, fresh, and stimulating, the theme of The Double comprises the issues of identity, narcissism, and the fear of death--actually the core of human existence. Rank's book is primarily a study of the double as it appeared in striking examples in German, French, Russian, English, and American literature from Goethe to Oscar Wilde.
