formation and partisan choice; References; Index

**Sommario/riassunto**

One of the most significant events in European politics the past two decades is the emergence of radical right-wing parties, mobilizing against immigration and multiethnic societies. Such parties have established themselves in a large number of countries, often with voter shares exceeding ten and sometimes even twenty percent. Many of these parties exert a real influence on the policy within respective country. The emergence of the recent wave of radical right-wing party politics has generated a large and growing literature, spanning a variety of dimensions-such as ideology, voting, a

Sommario/riassunto

The Japanese and the Jesuits examines the attempt by sixteenth century Jesuits to convert the Japanese to Christianity. Directing the Jesuits was the Italian Alessandro Valignano, whose own magisterial writings, many of them not previously translated or published, are the principle source material for this account of one of the most remarkable of all meetings between East and West. Valignano arrived in Japan in 1579. In promoting Christianity, he always sought the support of the ruling classes, but an important part of his strategy was also to have the missionaries adapt themselves
