| Sommario/riassunto | In just two decades, the number of states that have adopted external voting policies has boomed. Today, these policies, which allow emigrants to take part in home country elections from abroad, are widely found in Europe and Latin America. Looking at the cases of Italy, |

Mexico, and Bolivia, this book examines the motivations and consequences for states that enfranchise citizens abroad. This analysis sheds light on the impact of emigrants in home country politics, the motivations for emigrants to take part in the elections of a country where they no longer reside, and the consequences of thi
