Sommario/riassunto	With a new foreword by Andre Green. Bollas eloquently argues for a return to our understanding of how Freudian psychoanalysis works unconscious to unconscious. Failure to follow Freud's basic assumptions about psychoanalytical listening has resulted in the abandonment of searching for the 'the logic of sequence' which Freud regarded as the primary way we express unconscious thinking. In two extensive interviews and follow-up essays, all occurring in 2006, we follow Christopher Bollas exploring his most recent and radical challenge to contemporary psychoanalysis. The Freudian Moment, Bollas argu
