Sommario/riassunto	This special anniversary e-book contains the 6 most influential papers in IJOPM's 25-year history. The final 6 papers were voted on by the Editorial Board, after a shortlist was drawn up based on citations analysis and peer opinion. The six original papers cover a range of topics within operations management, and are followed by an update piece by either the original author or another academic (in one case).

Sommario/riassunto

This book is ideal for anyone who reaserching their Caribbean family history. The National Archives and beyond. The National Archives holds records for many people who lived in British West Indian colonies such as emigrants, plantation owners, slaves, soldiers, sailors and transported criminals. The Archives also hold the colonial office records for the British West Indies. This includes state correspondence to and from the colonies and passenger lists. Tracing Your Caribbean Ancestors also shows readers how to use family history sources and genealogy websites and indexes beyond The National Archives. Fully updated and revised, this new edition covers recent developments in Caribbean archives, including details of newly released information and archives that are now available online. This book outlines the primary research sources for those tracing their Caribbean ancestry and describes details of access to archives, further reading, useful websites and how to find and accurately search family history sources. As Britain does not hold locally created records of its dependencies such as church records, this book doubles as a gateway to the local history sources throughout the Caribbean that remain in each country's archives and register office. This book will be of use to anyone researching family history in British Caribbean countries of Anguilla, Antigua, Bahamas, Barbados, British Virgin Islands, Cayman Islands, Dominica, Grenada, Jamaica, Montserrat, St Kitts and Nevis, St Lucia, St Vincent, Trinidad and Tobago and the Turks and Caicos Islands as well as Guyana, Belize and Bermuda.
