Sommario/riassunto	From leading experts in behavioral activation research and clinical practice, this volume presents an empirically tested approach for helping clients overcome depression by becoming active and engaged in their own lives. Behavioral activation is a stand-alone treatment whose principles can be integrated easily with other approaches that therapists already use. Guidelines are presented for identifying individualized treatment targets, monitoring and scheduling ""antidepressant"" activities--experiences that are likely to be rewarding and pleasurable--and decreasing avoidance and ruminative

Nota di bibliografia	Includes bibliographical references and index.
Nota di contenuto	Front matter -- Contents -- Prefatory Note -- 1. Geoffrey Hill -- 2. Anthony Hecht -- 3. Robert Lowell -- Notes -- Credits -- Index
Sommario/riassunto	True Friendship looks closely at three outstanding poets of the past half-century-Geoffrey Hill, Anthony Hecht, and Robert Lowell-through the lens of their relation to their two predecessors in genius, T. S. Eliot and Ezra Pound. The critical attention then finds itself reciprocated, with Eliot and Pound being in their turn contemplated anew through the lenses of their successors. Hill, Hecht, and Lowell are among the most generously alert and discriminating readers, as is borne out not only by their critical prose but (best of all) by their acts of new creation, those poems of theirs that are thanks to Eliot and Pound. "Opposition is true Friendship." So William Blake believed, or at any rate hoped. Hill, Hecht, and Lowell demonstrate many kinds of friendship with Eliot and Pound: adversarial, artistic, personal. In their creative assent and dissent, the imaginative literary allusions-like other, wider forms of influence-are shown to constitute the most magnanimous of welcomes and of tributes.
