Complexity and stability in international bureaucracies.
Sommario/riassunto	This book introduces international bureaucracy as a key field of study for public administration and also rediscovers it as an essential ingredient in the study of international organisations. To what extent, how and why do international bureaucracies challenge and supplement the inherent Westphalian intergovernmental order based on territorial sovereignty? To what extent, how and why do international bureaucracies supplement the existing international intergovernmental order with a multi-dimensional international order subjugated by a compound set of decision-making dynamics? International bu
