Lindsay Weiss -- YugoMuseum : memory, nostalgia, irony / Mran Bajic
-- Memory, melancholy, and materiality / Victor Buchli.

Sommario/riassunto

Memory can be both a horrifying trauma and an empowering resource. From the Ancient Greeks to Nietzsche and Derrida, the dilemma about the relationship between history and memory has filled many pages, with one important question singled out: is the writing of history to memory a remedy or a poison? Recently, a growing interest in and preoccupation with the issue of memory, remembering and forgetting has resulted in a proliferation of published works, in various disciplines, that have memory as their focus. This trend, to which the present volume contributes, has started to occupy the dominant
